

## *Preaching and Teaching Christ Crucified*

*with traditional worship and values for over a century. (Col. 3:16)*

Dear Neighborhood Parent,

We are excited that you are interested in Parkland Lutheran School! We are starting our 121<sup>st</sup> year of educating at Parkland Lutheran School.

At Parkland Lutheran School we are committed to providing a quality, Christ-centered education. We teach our students that Jesus Christ is their Savior. He lived a perfect life in their place and died for all their sins. He did this because of His great love for all and because of His desire that everyone be saved and go to heaven. We know this wonderful message from the Bible, which is God's Word. With this as our core we offer a personalized education that fosters the strengths and talents of each individual student. We do this by using tried-and-true methodologies of the past to teach skills that will be useful in the future. This classical model is known as the Trivium:

- ✠ **Grammar:** students learn how to gather information;
- ✠ **Logic:** students learn how to arrange that information;
- ✠ **Rhetoric:** students learn how to put their knowledge, understanding, and wisdom to practical use.

We are approved by the State of Washington, and also a member of The Evergreen Lutheran School System (TELSS), an association of schools partnered with Evergreen Lutheran High School ([www.elhs.org](http://www.elhs.org)). We are happy to be able to offer small class sizes, a 1:13 teacher/student ratio, traditional values, a safe environment, and a Prek-Grade 12 education. Our goal as a Christian school is to help our students understand the Christian faith and to train them to be productive and responsible citizens.

#### **MISSION STATEMENT:**

To provide a quality, Christ-centered education  
for members of our church and the surrounding community,  
nurturing children to use their God-given talents  
in a life of service to their Lord.

Our tuition cost range between \$2,900 and \$5,600, and we offer up to \$100,000 in needs based scholarships each year. About 30% of our school families receive some type of scholarship each year. Our goal is that money will not stand in the way for families that agree with our vision and values. We would be happy to explain more about how this works in person.

Finally, we thank you for the opportunity in assisting you in educating your child/children. Please feel free to take a further look at our [website](#) and [Facebook page](#). We invite you to contact us if you have any other questions, would like additional information, or want to meet in person.

We look forward to serving your family,

Principal – Parkland Lutheran School
