Faith Lutheran School Athletic Code of Conduct

Athletics at Faith Lutheran School are an integral part of the overall school program and require commitment from parents, coaches, teachers, and student athletes. Christian witness and testimony can and should be exemplified through participation, coaching and fan support. Our athletic program is one of several means of developing the total Christian and is an honor and privilege for all participants. These extra-curricular activities add to education by promoting good citizenship and character, developing discipline for personal success, and promoting the image and identity of our School and the Christian community at-large.

Athlete's Expectations:

- 1. Display a Christ-like attitude towards coaches, teammates, opponents, fans, referees, and supervisors.**
- 2. Work hard in every practice/game/activity to the best of your God-given ability.**
- 3. Be willing to improve skills and knowledge of the game.**
- 4. Have fun, yet take practices, games, and events seriously.**

Student athletes participating in any activities on campus or off campus that are inappropriate, illegal or a violation of school rules may lose eligibility. Student athletes, coaches, parents and spectators are expected to live in a way pleasing to the Lord at all times. A signed Code of Conduct form is requested from each student athlete family prior to the first competitive game. Athletic contests are competitive—all present on behalf of Faith Lutheran School athletics are expected to speak and act as a matter of Christian testimony in all situations.

Colossians 3:23 - Whatever you do, keep working at it with all your heart, as for the Lord and not for people.
