 Please read all information inside your child's folder carefully.

 Also, on the first day of the week I will email you a weekly newsletter informing you of
- everything we will learn throughout the week.

 4. Please send a light nutritional spack with your child each day.
 - 4. Please send a light nutritional snack with your child each day. Simple finger foods work best. Your child will also need a drink.

 Please, no bottles.
 - 5. You are welcome to send treats to celebrate your child's birthday. NOTE: If you do not wish your child to participate in birthday treats or if your child has allergies, please let me know.
 - 6. Supplies provided by parents: Crayola watercolors, a large paint shirt, 1 box of tissues, 1 ream (500 sheets) 20# copy paper, a backpack, a lunchbox, and an earthquake kit (you will receive information for contents in your registration packet).

PLS will supply crayons, pencils, glue, scissors, etc.

Please make sure all items are clearly marked with your child's name.

7. Individual orientations will be held at PLS, from August 28-31.

These visits, approximately 30 minutes, are to answer any last minute questions you may have, and for me to meet with your child one last time before school starts.

School supplies should also be dropped off at this time.

Look for an email in August with more information about Orientation Week.

If you have questions, please call

school (253) 537-1901 or email crogich@parklandlutheran.org

May the Lord be with us and guide us throughout the school year.
