

You are invited to attend...

Kindergarten Roundup
at
Parkland Lutheran School

on
Friday, February 16
10:30am-12:00pm

You and your child are welcome to visit our classroom on this special day. Parkland Lutheran School has now been teaching Christian Education to children in our congregation and in the community for over 129 years! The study of God's Word is the most important part of the curriculum. We also strive for academic excellence in meeting the needs of the whole child...intellectual, emotional, physical, social, and spiritual.

We are looking forward to meeting with you and working with your child at this roundup. We will have a short Bible lesson and some activities planned for your child. We will also read a story. The students will then go outside for a supervised recess time. During this half hour time, we will briefly explain the curriculum and answer questions you may have about our Kindergarten Program, as well as the afternoon Enrichment Program. There will be a display of curriculum materials, school handbooks, and helpful handouts about preparing your child for kindergarten that you may wish to take with you.

We hope you will be able to attend our roundup with your child. If not, please feel free to call and ask any questions about our Kindergarten Program.

Please email school@parklandlutheran.org by Wednesday, February 7, if you and your child would like to attend.
