

You are invited to attend  
**Kindergarten Open House**  
at  
**Parkland Lutheran School!**  
**Friday, February 13**  
**10:30am-12:00pm**

You and your child are welcome to visit our classroom on this special day. Parkland Lutheran School has been providing Christian education to children in our congregation and community for over 130 years. The study of God's Word is the most important part of our curriculum, and we also strive for academic excellence while meeting the needs of the whole child—intellectual, emotional, physical, social, and spiritual.

We look forward to meeting you and working with your child at this open house. Your child will participate in a short Bible lesson, enjoy planned activities, and listen to a story. Students will then go outside for a supervised recess.

During this half-hour time, we will briefly explain the kindergarten curriculum and answer any questions you may have about our Kindergarten Program and the afternoon Enrichment Program. A display of curriculum materials, school handbooks, and helpful handouts on preparing your child for kindergarten will be available for you to review and take home.

We hope you will be able to attend our open house with your child. If you are unable to attend, please feel free to call the school office with any questions about our Kindergarten Program.

If you would like to attend, please complete our admission inquiry form, which will provide additional information and a link to RSVP. [[PLS Admission Inquiry Form](#)]
