

You are invited to attend our
Pre-Kindergarten Open House
at
Parkland Lutheran School!
Friday, February 13
9:00am-10:30am

Parents,

At Parkland Lutheran School, we understand that all children are individuals that learn at their own pace and learning style. Our Pre-Kindergarten program provides opportunities for children to grow spiritually, socially, emotionally, physically, and intellectually. Learning takes place through activities that encourage children to explore using their senses, experimenting and asking questions, in both group and individual settings.

Our activities include daily devotions, crafts, letter recognition, printing practice, science activities, painting, free play, singing, show and tell, field trips, and many other fun learning experiences.

We would love for your child to be part of our program, a program where success is your child's only option.

If you would like to attend, please complete our admission inquiry form, which will provide additional information and a link to RSVP.
