Cheer Competition (Times TBD)

**Monday, March 16**

Cheer & Basketball Awards Pizza Party in the PLS Ark (Gym) 3:45pm

This will conclude the PLS 2025-2026 Cheer season.

## Important Cheer Information

### Please Note the Following:

- **Cheer Schedule**

- Now that games have begun, cheer practice will not necessarily be held on Mondays and Wednesdays. Instead, there will be only a few practices, which may be scheduled on any day of the week. While we try to limit cheer to two days per week, there will be a few weeks with three or more days of cheer, especially as we get closer to the Junior Eagle Classic Cheer Competition in March. A tentative cheer schedule will be uploaded to the [Athletics page](#) of our website and emailed to parents today; however, it is subject to change and likely will. Please be sure to read the PLS Weekly Communicator each week for the most up-to-date information. The [PLS Google Calendar](#) is also a great resource for the current cheer schedule.

- **Game Day Reminders**

- Cheerleaders should wear their hair in a high ponytail to school in the morning on game days.
- Please pack an after-school snack for your cheerleader. They will have the opportunity to eat this snack before changing into their uniform.
- With the exception of the \*Junior Eagle Classic (JEC) basketball tournament and cheer competition held in March, cheerleaders only cheer for home games at PLS.
- Cheerleaders will sit together as a team while watching games and are encouraged to focus on the game and support their teammates, rather than visiting with friends or family in the stands.
- We will not perform our competition routine at games played against other TELSS schools, as they are our competition. While we value our fellowship with the other TELSS schools, we do not want to reveal our full routine. We are also the reigning champions and will do our best to hold onto that title for at least another year. 😊
- Once in uniform, cheerleaders may only have water until after changing out of their uniform following the last game of the night. If cheerleaders would like items from the Canteen to eat after the game (cash only), parents should place orders during the third-quarter break of the last game, as the Canteen closes shortly thereafter.
- All cheer uniform items will be kept at school and laundered by the coaches as needed.
- After the final game of each game day, cheerleaders will wait until all uniform items have been accounted for and placed in the designated laundry areas, including items belonging to others.
- Once all uniform items have been accounted for, an after-game treat may be provided. Cheerleaders may then be picked up by parents from the back bathroom hallway. Please note that after-game treats are for cheerleaders only; treats are not provided for siblings or dads. 😊

- **Questions**

- Questions may be directed to Coach Straling at [school@parklandlutheran.org](mailto:school@parklandlutheran.org) or our Athletic Director, Mrs. Rogich, at [crogich@parklandlutheran.org](mailto:crogich@parklandlutheran.org).
